## 2. Essential Requests You Say First (T-Money, Chopsticks, 1+1 Deals)

| When You Need To... | Say This in Korean | [Actual Sound] | Local Tip |
|---|---|---|---|
| Top up T-Money card (10,000 KRW) | **교통카드 만 원 충전해 주세요** | [교통카드 마눤 충전해 주세요]<br>gyo-tong-ka-deu ma-nwon... | Cash only! Place card on pad + hand cash. |
| Ask for chopsticks or a spoon | **젓가락 / 숟가락 하나 주세요** | [젇까락 / 숟까락 하나 주세요]<br>jeot-kka-rak / sut-kka-rak... | Free when buying cup ramyeon or dosirak. |
| Confirm a 1+1 promo before paying | **이거 원플러스원 맞아요?** | [이거 원플러스원 마자요?]<br>i-geo won-peul-leo-seu-won ma-ja-yo | Bring BOTH items to the counter yourself. |
| Get the clerk's attention politely | **저기요, 결제해 주세요** | [저기요 결쩨해 주세요]<br>jeo-gi-yo, gyeol-jje-hae ju-se-yo | Never shout '야' or snap fingers; '저기요' is polite. |

Promo Tag Decoder: 1+1 (원플러스원) = Buy 1, bring 2 identical items to the register (the 2nd scans at 0 KRW). 2+1 (투플러스원) = Buy 2, bring 3 items. Look for 교차가능 [교차가능] if you want to mix flavors.
Nuance Trap — 괜찮아요 vs 됐어요: When declining a bag or receipt, say 괜찮아요 [괜차나요] with a light nod. Avoid flat 됐어요 [됟써요] with staff — in service settings it can sound curt ('Forget it / I don't want it').
